- *Milestone follows a record FY26 performance: Revenue of Rs. 2,998 Crores, up 36.7% YoY; Net Profit of Rs. 724 Crores, up 34.1% YoY*

New Delhi, 13, July 2026: BLS International, a leading global AI and tech-enabled services partner for governments and citizens, today announced that it now operates in over 100 countries. The company serves more than 46 client governments, providing a wide range of citizen and consular services through its global network of Visa Application Centres (VACs) and offices.

BLS International's expansion to over 100 countries marks a significant milestone in its two-decade journey of enabling global mobility and delivering citizen services. This growth has been driven by strategic expansion into new markets, partnerships with government clients, strategic acquisitions, and technology-driven innovation. Today, the Company stands as a trusted partner to governments worldwide, delivering secure, efficient, and citizen-centric services through a robust global network.

Speaking on this milestone, **Shikhar Aggarwal, Joint Managing Director, BLS International**, said, "Reaching 100 countries is a defining milestone in BLS International's journey and a reflection of the trust governments and citizens worldwide have placed in us for over two decades. We have achieved this through operational excellence and a steadfast commitment to robust data protection and security standards, enabling us to deliver seamless, citizen-centric services across every market we operate in. As we look ahead, we will continue to invest in innovative, technology-driven solutions that make government services more accessible, efficient, and future-ready for citizens everywhere. We remain focused on enhancing service quality and the applicant experience at every touchpoint."

This follows a robust Q4 & FY26 for BLS International, with the company continuing to widen its footprint and diversify its portfolio through new mandates and renewals. Revenue for the year grew to Rs. 2,998 Crores and net profit to Rs. 724 Crores, each rising more than a third, while a 30.1% rise in EBITDA to Rs. 819 Crores reflected the margin gains from its self-managed model.

BLS International values the trust placed in it by governments and applicants worldwide and remains committed to continuously enhancing service quality, operational efficiency, and the overall applicant experience.
