

BLS International Opens a New State-of-the-art Visa Application Centre in Ecuador

Ecuador, June 26, 2025: BLS International, a trusted global tech-enabled visa processing and consular services partner for governments and citizens, today announced the inauguration of its new Visa Application Centre in Quito, Ecuador. The newly inaugurated visa application center will cater to the growing demand for Spain visa applications. Dedicated exclusively to Spain, the facility will handle all visa categories permitted by the Embassy and is equipped to process up to 300 visa applications per day.

The new center, around 4500 square feet, is equipped with a premium lounge that offers a comfortable environment with personalized assistance for a seamless experience. The lounge provides priority service, minimal waiting time, and added comfort, and dedicated support. Powered by AI-driven systems and advanced biometric technology, the center aims to make the visa application process efficient and pleasant.

The new visa application center was inaugurated by H.E. Enrique Yturriaga Saldanha, Ambassador of Spain to Ecuador, and Mr. Bernabé Ramón Aguilar Arigo, Consul General of Spain.

Mr. Shikhar Aggarwal, Joint Managing Director at BLS International, said, *"The launch of our new center in Quito, Ecuador, marks a significant milestone in our commitment to delivering consular services that are efficient, accessible, and trustworthy. We are honoured by the confidence the Government of Spain has placed in us and remain dedicated to ensuring a smooth, secure, and respectful experience for every applicant. As global mobility gains momentum and Spain continues to inspire Indian travelers, we are proud to stand ready — with innovation at our core and service at the heart of all we do."*

The new centre boasts a significantly larger space to comfortably accommodate up to 300+ applicants daily. The expanded facilities aim to reduce waiting time and focus on capacity building to handle increased demand, ensuring timely processing of visa applications. The center is staffed with trained professionals dedicated to providing exceptional service.
