

BLS International Paves the Way: Transforming Police Constable Applications Process in Uttar Pradesh with Record-Breaking Efficiency and Extended Opportunities

New Delhi, 04 January 2024: BLS International Services Ltd, a global leader in outsourcing services for governments and diplomatic missions, has been instrumental in facilitating the processing of applications for the recently announced 60,000+ police constable vacancies in Uttar Pradesh. With an estimated 30 lakh applications, BLS has stepped up to assist aspiring candidates in navigating the application procedure seamlessly and help the applicants apply for required supporting documents.

As the application deadline of January 17 draws near, BLS's extensive network of Village Level Entrepreneurs (VLEs), who operate Jan Seva Kendras and BLS Sewa Kendras across many districts of Uttar Pradesh, are assisting candidates with form filling and procurement of necessary income, caste, and domicile certificates.

A testament to the efficiency and dedication of BLS International's VLEs, a record-breaking accomplishment was achieved on December 28, 2023, when approximately 1 lakh applications were facilitated for income, caste, and domicile certificates in a single day. This remarkable feat underscores BLS International's commitment to providing prompt and accurate services, alleviating the burden on applicants, and contributing to a streamlined recruitment process.

The decision by the Uttar Pradesh government to relax the upper age limit for these posts by 3 years has broadened the pool of eligible aspirants. The field team of BLS International is conducting awareness drives and counselling sessions to help candidates understand the eligibility criteria for these posts.

BLS International has also launched Test Preparation modules for the entrance test to be conducted for these posts, using which the candidates can study the course material, undertake mock tests, and analyse their performance to significantly increase their chance of passing the entrance test.

With only 2 weeks left to apply, BLS International remains dedicated to helping aspirants realize their dreams of serving the nation through transparent, efficient, and high-quality services. The company anticipates facilitating the filing of applications for a significant portion of the estimated 30 lakh total applications.
