

## **BLS International Surpasses Pre-Pandemic Volume in the First Nine Months of the Year**

**New Delhi, March 12, 2025:** BLS International, a trusted global tech-enabled services partner for governments and citizens and a global leader in visa processing and consular services, has achieved a significant milestone by surpassing its pre-pandemic visa application volume in the first nine months of the financial year 2024-25. This achievement underscores the company's resilience, operational excellence, and commitment to facilitating seamless global mobility.

With international travel rebounding strongly, BLS International has effectively navigated the evolving landscape by expanding its service offerings, optimizing operations, and strengthening partnerships with governments and diplomatic missions worldwide. The company's innovative approach and customer-centric solutions have played a key role in handling the increasing demand for visa and consular services.

**Mr. Shikhar Aggarwal, Joint Managing Director at BLS International, stated,** *"This milestone reflects our relentless pursuit of excellence, our ability to anticipate and adapt to global shifts, and the deep trust placed in us by governments and travelers. As we scale new heights, our commitment remains unwavering—to provide secure, seamless, and technology-driven services that redefine global mobility and set new industry benchmarks."*

During the first nine months of the current Financial year, BLS International has processed 27.69 lakhs visa applications, surpassing pre-pandemic levels. The company has also expanded its footprint with new visa application centres and introduced innovative digital solutions to enhance customer convenience.

Citizenship Invest, a subsidiary of BLS International, continues to expand its global investment and mobility services with the addition of Nauru to its citizenship programs. Further enhancing its offerings, the firm has introduced a new category under Latvia's residency by investment program. Additionally, Citizenship Invest is in the process of developing a new citizenship-by-investment program and a golden visa initiative and solidifying its position as a leader in the investment migration sector.

As BLS International moves forward, it remains committed to innovation, operational excellence, and sustainable growth, ensuring that travelers and diplomatic missions continue to receive best-in-class services.
