BLS International inks pact with embassy of Afghanistan

Mumbai, Sep 19 (PTI) BLS International Services today said it has signed a contract with the embassy of Afghanistan for providing consular services in Saudi Arabia.

Under this partnership, BLS International will be providing consular services through registration of Afghan citizens in Saudi Arabia, a release issued here said.

The company will be processing about 2,00,000 applications through mobile centre for registration apart from such centres in the region.

BLS International is an Indian specialist service provider for outsourcing of visa, passport and attestation services to the governments and diplomatic missions globally.

"Our (contract) win will ensure applicants enjoy a service with quality, faster processing and world-class convenience. We have tried to bring convenience through mobile centres, which are a landmark achievement," BLS International Services Joint Managing Director Shikhar Aggarwal said. PTI SM RSY SDM
