BLS International, the world's largest Indian specialist service provider for outsourcing of visa, consular and citizen services to the governments and diplomatic missions globally won the "Best Visa Facilitation Centres Award" at The Middle East Travel and Tourism Leadership Awards 2018 organised by Gulf Cooperation Council Africa Leadership Excellence in Dubai.

The GCC – Africa Leadership Excellence Awards honour leaders around the region, working to strengthen and increase economic opportunities. Addressing the audience, Shikhar Aggarwal, JMD, BLS International said, "We are profoundly honoured to be recognised at The GCC Africa Leadership Excellence Awards and are committed to continue to render the applicants a best-in-class service experience and a seamless application journey. I also take this opportunity to thank our teams across the globe, who have developed incredible synergies, making BLS International a truly dynamic and global organisation."

The convention was attended by leaders from different business fields, professionals from the worlds of economics, the arts and corporate image, quality experts, as well as academic personalities and representatives from the diplomatic corps. The goal of the convention was to provide a forum to establish the standards of excellence for quality development and to honour the people and organisations responsible for developing the most effective actions that exemplify that excellence.
